

The Rutherford B. Hayes High School is presenting our spring musical, **Guys and Dolls** on April 30, April 31 and May 1, 2010 at the Hayes Performing Arts Center. We are asking that community groups, businesses, and individuals consider sponsoring our play by placing an advertisement or an ad in support of a student in our program. The program will be printed by students, and given to all who attend the play. This is a wonderful way to support Hayes High School, support the arts in Delaware, and reach approximately 600 audience members with your advertisement.

Please consider placing an advertisement in our program, no matter how small or large. Fill out this form completely and attach any graphics you may want us to use. We will do our best to use all graphics submitted. If you would like to email me a graphics file for use, please address your email to: [howesmi@dcs.k12.oh.us](mailto:howesmi@dcs.k12.oh.us)

If you have any questions, please call Michelle Howes at 740-833-1010 x4466.
